[G] [C7]

Too many [G] teardrops, For [C7] one heart to be [G] crying [C7]  
Too many [G] teardrops, For [C7] one heart to carry [G] on [C7]  
You're way on [G] top now since you [C7] left me  
You're always [G] laughing way down at [C7] me  
But watch out [G] now, I'm gonna get [C7] there  
We'll be [G] together for just a [C7] little while  
And then I'm gonna [G] put you way down [C7] here  
And you'll start [G] crying ninety [C7] six tears, [G] Cry, [C7] [G] cry [C7]

[Em] And when the sun comes up, [C] I'll be on top  
[Em] You'll be right down there, [C] looking up  
[Em] And I might wave, [C] come up here  
[Em] But I don't see you [C] waving now  
[Em] I'm way down here, [C] wondering how  
[Em] I'm gonna get you [C] but I know now  
[G] I'll just cry, [C7] cry, [G] I'll just cry [C7]

Too many [G] teardrops, For [C7] one heart to be [G] crying [C7]
