

A Little Bit Of Soap

The Jarmels

[D] A little bit of soap will **[G]** wash away your **[A]** lipstick on my **[D]** face.
A little bit of soap will **[G]** never, **[E7]** never, never, ever **[A]** erase,
the pain in my **[D]** heart and my **[D7]** eyes, as I **[G]** go through the lonely **[Gm]** years.
a little bit of **[D]** soap will never **[A]** wash away my **[D]** tears.

[A7]
A little bit of **[D]** soap will **[G]** wash away your **[A]** powder from my **[D]** chin.
A little bit of soap will **[G]** never, **[E7]** never, never, ever **[A]** begin,
to take away the **[D]** hurt that I **[D7]** feel as I **[G]** go through the lonely **[Gm]** years.
a little bit of **[D]** soap will never **[A]** wash away my **[D]** tears.

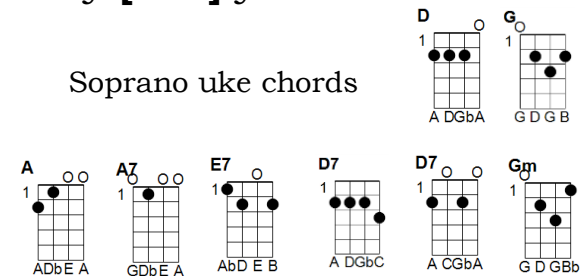

Have you heard? When love begins to **[G]** die,
it leaves someone to **[A]** cry, night and **[D]** day.
Like the bird you left your robin's **[G]** nest.
And just like all the **[A]** rest, you flew **[D]** away.

A little bit of soap will **[G]** take away, your **[A]** perfume eventual **[D]** ly.
A little bit of soap will **[G]** never, **[E7]** wash away the memo **[A]** ry
of your **[D]** name in the **[D7]** night that I **[G]** call through the lonely **[Gm]** years..
a little bit of **[D]** soap will never **[A]** wash away my **[D]** tears.

I'll never lose the memory of your name in the **[D7]** night,
that I **[G]** call through the lonely **[Gm]** years.

A little bit of **[D]** soap will never **[A]** wash away my **[D]** tears.
A little bit of soap will never **[A]** wash away my **[D]** tears.
It's gonna never, never, **[A]** wash away my **[D]** tears.
