

A Poor Man's Roses

Patsy Cline

[G7] I must make up my **[C]** mind today

[F] What to have, what to **[C]** hold

A **[Em]** poor man's **[Dm]** roses

[G7] Or a rich man's **[C]** gold

[G7] One's as wealthy as a **[C]** king in a palace

Though he's **[F]** callous and **[C]** cold

He may **[Em]** learn to give his **[Dm]** heart for love

[G7] Instead of buying it with **[C]** gold

And then the poor man's **[F]** roses

[G7] Or the thrill when we **[C]** kiss

Will be **[D7]** memories of **[Fm]** paradise

[Dm7] That I'll never **[G7]** miss **[F]**

[G7] And yet the hand that brings the **[C]** rose tonight

Is the hand **[F]** I will **[C]** hold

For the **[Em]** rose of love means **[Dm]** more to me

More than **[G7]** any rich man's **[C]** gold
