

BLUE MONDAY

recorded by Fats Domino
written by Dave Bartholomew

[A] Blue Monday, I hate blue Monday
Got to [D] work, like a slave all [A] day
Here come Tuesday, oh hard Tuesday
I'm so [B7] tired got no time to [E7] play

Here come [A] Wednesday, I'm beat to my socks
My gal [D] calls, got to tell her that I'm [A] out
Cause Thursday is a hard working [E7] day
And Friday I get my [A] pay

Saturday [D] morning, oh Saturday morning
All my [A] tiredness is gone away
Got my [D] money and my honey
And [B7] I'm out on the stand to [E7] play

Sunday [A] morning my head is bad
Though it's [D] worth it, for the time that I [A] had
But I've got to get my [E7] rest
Cause Monday is a [A] mess.
