[A] I found my **[D]** thrill on Blueberry **[A]** Hill
On Blueberry **[E7]** Hill when I found **[A]** you **[D]** **[A]**

The **[A7]** moon stood **[D]** still on Blueberry **[A]** Hill
And lingered **[E7]** until my dream came **[A]** true **[D]** **[A]**

The **[E7]** wind in the **[A]** willow played
Love's **[E7]** sweet **[A]** melody
But all of those **[B7]** vows you made
Were **[E7]** never to **[A]** be

[A7] Though we're **[D]** apart you're part of me **[A]** still
For you were my **[E7]** thrill on Blueberry **[A]** Hill
