

BUS STOP

[Dm] Bus stop [C] wet day [Dm] she's there [C] I say

[Dm] please share [C] my [Dm] um [C] brella

[Dm] Bus stop, [C] bus go, [Dm] she stays [C] love grows [Dm] under [C] my um [Dm] brella

[F] All that [C] summer [Dm] we [Bb] enjoyed it

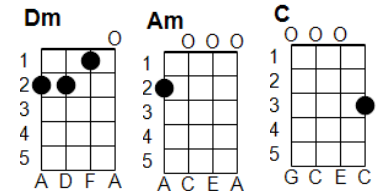

[Dm] Wind and [Bb] rain and [C] shine [Dm] That um [C] brella [Dm] we [C] employed it
by [Dm] August [C] she was [Dm] mine

[F] Every morning [E7] I would see her [Am] waiting at the [Dm] stop

Sometimes she [E7] shopped and she would show me what she [Am] bought

[F] All the people [E7] stared as if we [Am] were both quite [Dm] insane

Someday my [E7] name and hers are going to be the [Am] same

[Dm] That's the [C] way the [Dm] whole thing [C] started, [Dm] silly, [C] but it's [Dm] true
[C]

[Dm] Thinking [C] of a [Dm] sweet [C] romance [Dm] beginning [C] in a [Dm] queue

[F] Came the [C] sun, the [Dm] ice was [Bb] melting [Dm] No more [Bb] sheltering [C] now

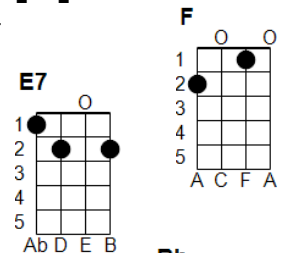

[Dm] Nice to [C] think [Dm] that that um [C] brella [Dm] led me [C] to a [Dm] vow

[F] Every morning [E7] I would see her [Am] waiting at the [Dm] stop

Sometimes she'd [E7] shop and she would show me what she [Am] bought

[F] All the people [E7] stared as if we [Am] were both quite [Dm] insane

Someday my [E7] name and hers are going to be the [Am] same

[Dm] Bus stop [C] wet day [Dm] she's there [C] I say
