

Christmas Attitude

Chuck Deyo 2018

[C] It's closing in on Christmas time...
and I [F] know I should change my attitude...
[G] children are singing jingle bells batman smells...
[F] it really puts me in the [C] mood...
I got stuck in my driveway for the first time this year...
and I [F] know it will happen again soon...
[G] sure as there are stars in the sky
[F] along with the Sun and [C] moon.

[C] The dog has his path..[F] out in the yellow snow....
[G] and the kids are rolling up nasty snowmen..
[F] with brown spots where he [C] goes...
it will be out there until Easter
[F] slowly melting away but [G] it will be the
[F] greenest spot come [C] May

[C] the Christmas tree is dropping needles...
[F] twenty four hours a day...
[G] and the in-laws are coming early
but I [F] don't know when they're going [C] away...
the children will be out of school about two weeks...
[F] I'll step on a toy or two...
when [G] I get up in the night to [F] do what I have to [C] do

[C] But spring is not too far away...
and I [F] know the sun stays out longer everyday...
[G] I'm just carrying on the family tradition
[F] and complaining is my [C] way ...
Merry Christmas to everyone... [F] one and all...
and [G] watch out for the ice.. [F] unless you want to [C] fall
