

# Come Sail Away

Stix

[C] I'm [G] sailing [Am] away,  
[F] set an open course for the [G] virgin sea  
[C] I've [G] got to be [Am] free,  
[F] free to face the life that's [G] ahead of me  
[Am] On board, I'm the captain, [G] so climb aboard  
[Am] We'll search for tomorrow on [G] every shore  
And I'll [C] try, oh [G] Lord, I'll [Am] try [F] to carry [G] on.  
[C] [F] [G] [F] [C] [G]

[C] I [G] look to the [Am] sea,  
[F] reflections in the waves spark my [G] memory  
[C] Some [G] happy, some [Am] sad  
[F] I think of childhood friends and the [G] dreams we had  
[Am] We live happily forever, [G] so the story goes  
[Am] But somehow we missed out [G] on that pot of gold  
But [C] we'll try [G] best that we [Am] can, [F] to carry [G] on  
[C] [F] [G] [F] [C] [G]

A [C] gathering of [F] angels [G] appeared above my [F] head  
They [C] sang to me this [F] song of hope,  
and [G] this is what they [F] said

They said [C] come sail away, [F] come sail away  
Come [G] sail away with [F] me .. lad  
[C] Come sail away, [F] come sail away  
Come [G] sail away with [F] me

*(keyboard, break)*

I [C] thought that they were [F] angels,  
[G] but to my [F] surprise  
They [C] climbed aboard their [F] starship  
We [G] headed for the [F] skies  
Singing [C] come sail away, [F] come sail away  
Come [G] away with [F] me  
[C] Come sail away, [F] come sail away  
[G] Come sail away with [F] me *(repeat to end)*
