

Good Day Sunshine

[C] Good day sun [G] shine, [C] good day [G] sunshine, [F] good day sun [F7] shine

I need to [Bb] laugh [G7] and when the sun is [C7] out
[F] I've got something I can [Bb] laugh about

I feel good [G7] in a [C7] special way
[F] I'm in love, and it's a [Bb] sunny day

[C] Good day sun [G] shine, [C] good day [G] sunshine, [F] good day sun [F7] shine

We take a [Bb] walk, [G7] the sun is [C7] shining down
[F] burns my feet as they [Bb] touch the ground

[C] Good day sun [G] shine, [C] good day [G] sunshine, [F] good day sun [F7] shine

And then we [Bb] lie [G7] beneath a [C7] shady tree
[F] I love her and she's [Bb] loving me

She feels good, [G7] she knows she's [C7] looking fine
[F] I'm so proud to know that [Bb] she is mine

[C] Good day sun [G] shine, [C] good day [G] sunshine, [F] good day sun [F7] shine
[C] Good day sun [G] shine, [C] good day [G] sunshine, [F] good day sun [F7] shine
