

Holding Out For A Hero

[Am] Where have all the good men gone? **[G]** And where are all the gods?

[Am] Where's the street-wise Hercules, to **[C]** fight the rising odds?

[Am] Isn't there a white knight **[G]** upon a fiery steed?

[F] Late at night I toss and turn and **[G]** dream of what I need

I need a **[Am]** hero. **[F]** I'm holding out for a

[C] hero 'til the end of the **[G]** night

He's gotta be **[Am]** strong, And he's gotta be **[F]** fast

And he's **[C]** gotta be fresh from the **[G]** fight. I need a **[Am]** hero **[F]**

I'm holding out for **[C]** a hero 'til the morning **[G]** light. He's gotta be **[Am]** sure

And it's gotta be **[F]** soon, And he's gotta be

[C] larger than **[G]** life, larger than life

[Am] Somewhere after midnight, In my **[F]** wildest fantasy

[Am] Somewhere just beyond my reach,

There's **[G]** someone reaching back for me

[Am] Racing on the thunder and **[G]** rising with the heat

[F] Isn't there a superman to sweep me off my **[C]** feet?

I need a **[Am]** hero. **[F]** I'm holding out for a

[C] hero 'til the end of the **[G]** night

He's gotta be **[Am]** strong, And he's gotta be **[F]** fast

And he's **[C]** gotta be fresh from the **[G]** fight. I need a **[Am]** hero **[F]**

I'm holding out for **[C]** a hero 'til the morning **[G]** light. He's gotta be **[Am]** sure

And it's gotta be **[F]** soon, And he's

gotta be **[C]** larger than **[G]** life, larger than life

[F/Am] Up where the mountains meet the heavens above

[G] Out where the lightning splits the sea. I **[Am]** could swear that there's someone, somewhere **[C]** watching **[Am]** me

[F] Through the wind and the chill and the rain,

[G] And the storm and the raging flood

[C] I can feel his **[G]** approach just Like **[C]** the fire **[G]** in my blood

I'll meet a **[Am]** hero, And **[F]** then we'll **[C]** dance till morning **[G]** light

Dreaming he'll leave me, He'll **[F]** die tonight's the **[G]** night

I need a **[Am]** hero. **[F]** I'm holding out for a

[C] hero 'til the end of the **[G]** night

He's gotta be **[Am]** strong, And he's gotta be **[F]** fast

And he's **[C]** gotta be fresh from the **[G]** fight. I need a **[Am]** hero **[F]**

I'm holding out for **[C]** a hero 'til the morning **[G]** light. He's gotta be **[Am]** sure

And it's gotta be **[F]** soon, And he's gotta be

[C] larger than **[G]** life, larger than life
