

How Deep Is Your Love

The Bee Gees

[D] [Dmaj7] [Gmaj7] [G/A] [D] [Dmaj7] [Gmaj7] [G/A]
I know your [D] eyes in the [F#m7] morning [G6] sun
[B7] I feel you [Em7] touch me in the [F#7] pouring [A7] rain
And the [D] moment that you [F#m7] wander [Bm7] far from me
I want to [Em7] feel you in my arms [A7] again
And you [Gmaj7] come to me on a [F#m7] summer breeze
Keep me [Em7] warm in your love, then you [C9] softly leave
And it's [F#m7] me you need to [G/A] show

How deep is your [D] love, how deep is your love
How [Dmaj7] deep is your love?
[Gmaj7] I really mean to [Gm6] learn
'Cause we're [D] living in a world of [Am6] fools
Breaking us [B7] down when they all should let us [Em7] be
We be-[Gm6]-long to you and [D] me
I be-[F#m7]-lieve in [G6] you

[B7] You know the [Em7] door to my [F#m7] very [A7] soul
You're the [D] light in my [F#m7] deepest, [Bm7] darkest hour
You're my [Em7] savior when I [A7] fall
And you [Gmaj7] may not think I [F#m7] care for you
When you [Em7] know down inside that I [C9] really do
And it's [F#m7] me you need to [G/A] show

How deep is your [D] love, how deep is your love
How [Dmaj7] deep is your love?
[Gmaj7] I really mean to [Gm6] learn
'Cause we're [D] living in a world of [Am6] fools
Breaking us [B7] down when they all should let us [Em7] be
We be-[Gm6]-long to you and [D] me
[D] [F#m7] [G6] [B7] [Em7] [F#m7] [A7] [D] [F#m7] [Bm7] [Em7] [A7]

And you [Gmaj7] come to me on a [F#m7] summer breeze
Keep me [Em7] warm in your love, then you [C9] softly leave
And it's [F#m7] me you need to [G/A] show
How deep is your [D] love, how deep is your love
How [Dmaj7] deep is your love?
[Gmaj7] I really mean to [Gm6] learn
'Cause we're [D] living in a world of [Am6] fools
Breaking us [B7] down when they all should let us [Em7] be
We be-[Gm6]-long to you and [D] me [D] [F#m7] [G/A]

How deep is your [D] love, how deep is your love
How [Dmaj7] deep is your love?
[Gmaj7] I really mean to [Gm6] learn
'Cause we're [D] living in a world of [Am6] fools
Breaking us [B7] down when they all should let us [Em7] be
We be-[Gm6]-long to you and [D] me
