

I Shall Be Released

The Band (Bob Dylan) *

[D] They say everything can be **[Em]** replaced

[F#m] They say every **[G]** distance **[A]** is not **[D]** near

So I remember every **[Em]** face **[F#m]** Of every **[G]** man who **[A]** put me **[D]** here

I see my light come **[Em]** shining **[F#m]** From the **[G]** west down **[A]** to the **[D]** east

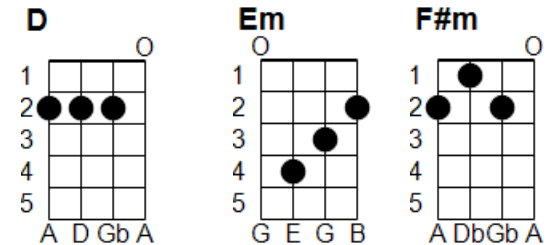

Any day now, **[Em]** any day now **[F#m]** I **[G]** shall **[A]** be re **[D]** leased

They say every man needs **[Em]** protection

[F#m] They say that **[G]** every **[A]** man must **[D]** fall

Yet I swear I see my **[Em]** reflection

[F#m] Somewhere so **[G]** high **[A]** above this **[D]** wall

I see my light come **[Em]** shining **[F#m]** From the **[G]** west down **[A]** to the **[D]** east

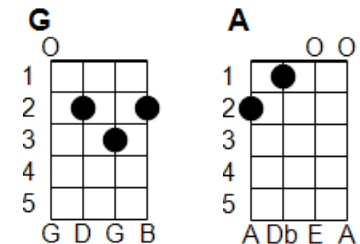

Any day now, **[Em]** any day now **[F#m]** I **[G]** shall **[A]** be re **[D]** leased

Now yonder stands a man in this **[Em]** lonely crowd

[F#m] A man who **[G]** swears he's **[A]** not to **[D]** blame

All day long I hear him **[Em]** shouting so loud

[F#m] Just crying **[G]** out that **[A]** he was **[D]** framed

I see my light come **[Em]** shining **[F#m]** From the **[G]** west down **[A]** to the **[D]** east

Any day now, **[Em]** any day now **[F#m]** I **[G]** shall **[A]** be re **[D]** leased

Any day now, **[Em]** any day now **[F#m]** I **[G]** shall **[A]** be re **[D]** leased
