

I Shall Be Released

(Bob Dylan)

[C] They say every man needs **[Dm]** protection

[Em] They say that every **[F]** man **[G]** must **[C]** fall

Yet I swear I see my **[Dm]** reflection

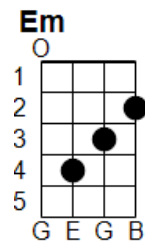

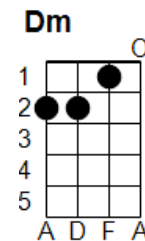

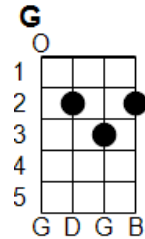

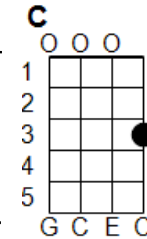

[Em] Somewhere so **[F]** high **[G]** above this **[C]** wall

I see my light come **[Dm]** shining

[Em] From the **[F]** west down **[G]** to the **[C]** east

Any day now, **[Dm]** any day now

[Em] I **[F]** shall **[G]** be **[C]** released

Down here next to me in this **[Dm]** lonely crowd

[Em] There's a man who **[F]** swears he's **[G]** not to **[C]** blame

All day long I hear him **[Dm]** shouting so loud

[Em] Just crying **[F]** out that **[G]** he was **[C]** framed

I see my light come **[Dm]** shining

[Em] From the **[F]** west down **[G]** to the **[C]** east

Any day now, **[Dm]** any day now

[Em] I **[F]** shall **[G]** be **[C]** released
