

I WONDER WHAT SHE'S DOING TONIGHT

Intro: [F] [C] [G] [F] [C] [G]

[G] If I had told her that I [C] loved her
She would have [G] stayed till who knows [C] when
But I [G] guess she couldn't under[C]stand it
When I [G] said I want to be your [C] friend
Because a [G] friend would never [C] doubt you
Or [G] ever put you up[C]tight
And now I [G] wonder [F] what she's [Eb] doing to[G]night

Chorus: [G] Oh yes I wonder what she's doing to[C]night
Oh I [F] wonder what she's [C] doing to[G]night

[F] Aahhh [C] aahhh [G] aahhh [F] aahhh [C] aahhh [G] aahhh
[G] with riff under E1 E1 E1 E1 C0 E1 E1 E1

[G] We were so close we shouldn't get [C] closer
And it's [G] making me feel so [C] sad
But I [G] tell myself I didn't [C] lose her
Cause you [G] can't lose a friend you never [C] had
Because a [G] friend won't say it's [C] over
And go [G] out just for [C] spite
And now I [G] wonder [F] what she's [Eb] doing to[G]night

Repeat Chorus [G] with riff under E1 E1 E1 E1 C0 E1 E1 E1

Interlude [G] [C] x 4 with riff under E1 E2 A0 A3 A0 E3 E1

[G] Because a friend will always [C] be there
If you're [G] wrong or if you're [C] right
And now I [G] wonder [F] what she's [Eb] doing to[G]night

Repeat Chorus

[F] Sha la [C] la la la to[G]night [F] sha la [C] la la la to[G]night
[F] [C] [G]
