

I Love The Life I Live

[I] [vi]

I see you watching me, like a hawk.

I don't mind the, way you talk

But if you touch me something's got to give.

[stop] I live the life I love and I love the life I live.

So if you see me, and think I'm wrong.

Don't worry about me, just let me lone.

My sweet life ain't nothing but a thrill.

[stop] I live the life I love and I love the life I live.

My diamond ring, and my money too.

Tomorrow night, could belong to you.

The girls move me, at their will.

[stop] I live the life I love and I love the life I live.

[IV] I may bet a thousand on a, bet this time.

[I] One minute later I can't, cover your dime.

[IV] Tomorrow night I might be over the hill.

[V] I just want you to know baby the way I feel.

[I] You see me walking as I pass you by.

Don't talk about me 'cause I could be high.

Please forgive me, if you will.

[stop] I live the life I love and I love the life I live.
