

# LODI

CREEDENCE CLEARWATER REVIVAL

[C] Just about a year ago, I [F] set out on the [C] road  
Seeking my [Em] fame and [Am] fortune, [Dm] looking for a pot of [G] gold  
[C] things got [Em] bad and [Am] things got worse  
I [F] guess you know the [C] tune. Oh Lord, [G] stuck in [F] Lodi again [C]

Rode in on the greyhound, I'll be [F] walking out if I [C] go  
I was just [Em] passing [Am] through, must be [Dm] seven months or [G] more  
[C] ran out of [Em] time and [Am] money, [F] looks like they took my [C] friend  
Oh Lord, I'm [G] stuck in [F] Lodi again [C]

The man from the magazine, said [F] I was on my [C] way  
Somewhere I [Em] lost con[Am]nections, I [Dm] ran out of songs to [G] play.  
I [C] came [Em] into town, a [Am] one night stand  
[F] Looks like my plans fell [C] through.  
Oh Lord, I'm [G] stuck in [F] Lodi again [C]

*{key change}*

[D] If only I had a dollar, for [G] every song I've [D] sung  
Every [F#m] time I [Bm] had to play, while [Em] people sat there [A] drunk  
You [D] know I'd [F#m] catch the [Bm] next train, [G] back to where I [D] live  
Oh Lord, I'm [A] stuck in [G] Lodi again [D]  
Oh Lord, I'm [A] stuck in [G] Lodi again [D]
