

Love is All Around

[G] How will you [C] make it on your [G] own?

This world is [Em] awfully big,

[A7] girl, this time you're [D7] all alone.

But it's [Em] time you started [A7] living.

It's [Em] time you let someone [A7] else do some giving.

[G] Love is all around, no [C] need to waste it.

[G] You can have the town, why [C] don't you take it.

[G] You [Em] might just [C] make it [D7] after [G] all.

[Em] You [A7] might just [C] make it [D7] after [G] all.

Written and performed by
Sonny Curtis. Theme song for
the Mary Tyler Moore Show
The first verse was used season
one and subsequent seasons
used verse two.

(1st note sung is a "D")

=====
[G] Who can turn the [C] world on with her [G] smile?

Who can take a [Em] nothing day,

and [A7] suddenly make it all [D7] seem worthwhile?

Well it's [Em] you girl, and you should [A7] know it.

With [Em] each glance and every little [A7] movement you show it.

[G] Love is all around, no [C] need to waste it.

[G] You can have the town, why [C] don't you take it.

[G] You're [Em] gonna [C] make it [D7] after [G] all.

[Em] You're [A7] gonna [C] make it [D7] after [G] all.
