

LUCKY OLD SUN

1949

[C] Up in the morning, [Am] out on the job

[C] Work like the [F] devil for my [C] pay [C7]

While that [F] lucky ole' [Fm] sun's got [C] nothin' to [Am] do

But [C] roll around [G7] heaven all [C] day.

[C] Fuss with my woman, [Am] toil for my kids,

[C] Work 'till I'm [F] wrinkled and [C] grey [C7]

And that [F] lucky ole' [Fm] sun's got [C] nothin' to [Am] do

But [C] roll around [G7] heaven all [C] day

[C] Lord [Am] above can't ya [F] hear me [C] cryin'?

The tears, they [G7] fall from my [C] eyes

Send down that [Am] cloud with a [F] silver [C] linin'

And [D7] take me to para[G7]dise.

[C] Show me that river, [Am] lead me across

[C] Take all my [F] troubles a [C] way. [C7]

Like that [F] lucky ole' [Fm] sun, give me [C] nothin' to [Am] do

But [C] roll around [G7] heaven all [C] day.
