

MSU SHADOWS

MS [C] U, we [F] love thy [C] shadows
When [F] twilight silence [C] falls,
Flushing [F] deep and softly [C] paling
O'er [D] ivy [D7] covered [G7] halls;
Be [C7] neath the [F] pines we'll [C] gather
[C7] To [F] give our faith so [C] true,
Sing our [F] love for Alma [C] Mater
And thy [D7] praises, [G7] MS [C] U.

When [C] from these [F] scenes we [C] wander
And [F] twilight shadows [C] fade,
Our [F] mem'ry still will [C] linger
Where [D] light and [D7] shadows [G7] played;
In the [C7] evening [F] oft we'll [C] gather
[C7] And [F] pledge our faith a [C] new,
Sing our [F] love for Alma [C] Mater
And thy [D7] praises, [G7] MS [C] U.
