

MSU SHADOWS

MS [G] U, we [C] love thy [G] shadows
When [C] twilight silence [G] falls,
Flushing [C] deep and softly [G] paling
O'er [A] ivy [A7] covered [D7] halls;
Be [G7] neath the [C] pines we'll [G] gather
[G7] To [C] give our faith so [G] true,
Sing our [C] love for Alma [G] Mater
And thy [A7] praises, [D7] MS [G] U.

When [G] from these [C] scenes we [G] wander
And [C] twilight shadows [G] fade,
Our [C] mem'ry still will [G] linger
Where [A] light and [A7] shadows [D7] played;
In the [G7] evening [C] oft we'll [G] gather
[G7] And [C] pledge our faith a [G] new,
Sing our [C] love for Alma [G] Mater
And thy [A7] praises, [D7] MS [G] U.
