

"MOON OVER PARMA" BY BOB "MAD DOG" MCGUIRE

[D7] [G7] [C] [G7]

[C] Moon over Parma, bring my [G] love to me tonight.

[G7] Guide her to East Lake under [C]neath your silvery [C7] light.

[F] We met in Ashta [Fm] bula. [C] She was doing the [A7] hula.

I [D] handed her my radishes and [G7] pledged my love that night.

[C] Moon over Parma, won't you [G] bring my love to me.

[G7] Shine on the freeway to [C] guide her AM[C7]C.

[F] Get her past the radar [Fm] mounties. [C] Bring her to Lake [A7] County.

[D7] Moon over [G7] Parma, to [C]night. [Gdim] [Dm7] [G7]

[G7] *(Kazoo solo!)*

[C] Moon over Parma, shine on [G] I-271.

[G7] Cause we can't get together in the [C] warm light of the [C7] sun.

[F] I'm asking you [Fm] don't fail. [C] Get her safely through [A7] Lindale.

I [D] can't go to Parma cause my [G7] Edsel will not run.

[C] Moon over Parma, where those [G] pink flamingos stand.

[G7] I need her kisses and the [C] soft touch of her [C7] hand.

[F] We're going [Fm] bowling, [C] so don't lose her in [A7] Solon.

[D7] Moon over [G7] Parma, to [C] night, I said to [A7]night.

[D7] Moon over [G7] Parma,

[D7] Moon over [G7] Parma,

[D7] Moon over [G7] Parma, to [C]night.
