

## PARADISE BY THE DASHBOARD LIGHTS

Well, I [D] remember every little thing as if it happened only [G] yesterday. [C] Parking by the lake, and there was [G] not another car in [D] sight. And I never had a girl, looking any better than [G] you did. And all the [F#] kids at school, they were [G] wishing they were [A] me that [D] night

And now our [Bb] bodies are [F] oh so [C] close and [D] tight. It never [Bb] felt so [F] good, it never [C] felt so [D] right. And we're [G] glowing like the [D] metal on the [A] edge of a [D] knife. And we're [G] glowing like the [D] metal on the [A] edge of a [D] knife. [G] C'mon! Hold on [D] tight! [G] C'mon! Hold on [F] tight! [A]

Though it's [G] cold and [A] lonely in the [D] deep [A] dark [G] night I can [D] see para [Bm] dise by the [G] dash [Em] board [D] light

Cause we were [Em] barely seven [G] teen, and we were [Em] barely [D] dressed *Meatloaf & Girl:* [G] Ain't no [A] doubt [D] about it; [G] baby got to [A] go and [G] shout it. [G] Ain't no [A] doubt [D] about it, we were [A] doubly [G] blessed. Cause we were [Em] barely seven [G] teen, and we were [Em] barely. . . We're [A] gonna go [Bm] all the [A] way tonight We're [G] gonna go [A] all the [G] way and [A] tonight's, the [Em] night

*Ok, here we go, we got a real pressure cooker going here, two down, nobody on, no score, bottom of the ninth, there's the wind-up and there it is, a line shot up the middle, look at him go. This boy can really fly! He's rounding first and really turning it on now, he's not letting up at all, he's gonna try for second; the ball is bobbled out in center, and here comes the throw, and what a throw! He's gonna slide in head first, here he comes, he's out! No, wait, safe--safe at second base, this kid really makes things happen out there. Batter steps up to the plate, here's the pitch-- he's going, and what a jump he's got, he's trying for third, here's the throw, it's in the dirt-- safe at third! Holy cow, stolen base! He's taking a pretty big lead out there, almost daring him to try and pick him off. The pitcher glance over, winds up, and it's bunted, bunted down the third base line, the suicide squeeze in on! Here he comes, squeeze play, it's gonna be close, here's the throw, there's the play at the plate, holy cow, I think he's gonna make it!*

*Girl:* [A] Stop right there! [G] I gotta [A] know right [G] now! Before we go any further--! Do you love me? Will you love me forever? Do you [D] need me? Will you never leave me? Will you [C] make me so happy for the [G] rest of my life? Will you [A] take me away and will you make me your wife? Do you [G] love me!? Will you love me forever!? Do you [D] need me!?
