Squirrel Nut Zippers – A Johnny Ace Christmas

It's Christmas Eve, people, But someone's got to go
It's Christmas Eve, people, But someone's got to go
I never thought he'd have the nerve, But that just shows you what I know

He had a sweet and lonely voice, How I wish that he had stayed
He had a sweet and lonely voice, How I wish that he had stayed
But the dealer dealt the cards, And the ace has done been played

He used to talk about forever, Forever and a day
But when you get down to it, Things just don't work out that way
Merry Christmas Johnny, Though you're leaving now
The anticipation's better, Than the real thing anyhow
