

Shine Shave Shower (It's Saturday Night)

recorded by Lefty Frizzell

written by Jim Beck and Lefty Frizzell

Oh it's Saturday. [C] Yes it's Saturday

Gonna shine shave shower and brush my teeth

Go out a-dancing and forget [G7] my grief

[C] Make all the nightclubs [F] in this town

[C] Cause my sweet baby's gonna [G7] show me [C] around

Well we'll go here and there and everywhere

Where we go I just don't [G7] care

[C] We'll do the town up and [F] do it right

[C] Because tonight is [G7] Saturday [C] night

Who [E7] cares if talk gets [C] around

[D7] Just cause I'm sly and not so mean

[G7] Saturday don't come but once a week

Gonna shine shave shower and brush my teeth

Go out a-dancing and forget [G7] my grief

[C] Make all the nightclubs [F] in this town

[C] Cause my sweet baby's gonna [G7] show me [C] around

Well we'll go here and there and everywhere

Where we go I just don't [G7] care

[C] We'll do the town up and [F] do it right

[C] Because tonight is [G7] Saturday [C] night

Day[E7] light will catch me going [C] strong

[D7] One only lives once in a life

[G7] And I don't have a nagging wife

[C] Gonna shine shave shower and shampoo

Go out a dancing the whole night [G7] through

[C] Gonna swing it left and swing [F] it right

[C] Because tonight is [G7] Saturday [C] night
