Stretched out on a  
Kids of all ages  
Rappin' on the C.B.  
We'll give a big "10-4"

Young boys playin'  
Fire hydrants  
Old man feeding  
Nighttime finds young

In Atlantic City or  
Or anywhere  
When you feel those balmy  
Summertime is the

blanket in the sand  
diggin' Disneyland  
radio in your van  
to the truckin' man

stick ball in the street  
help to beat the heat  
pigeons in the square  
lovers walking there

out in Malibu  
between, I'm telling you  
breezes on your face  
best time any place
