

[C] [Em] [C] [Em] [C] Summer's end's around the bend just [Em] flying...
 The [C] swimming suits are on the line just [Em] drying...
 I'll [F] meet you there, per our conver-[G]-sation...
 I [F] hope I didn't ruin your whole va-[G]-cation...

Summer's End

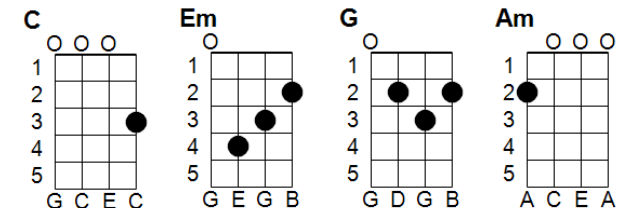

John Prine
2018

Well you [C] never know how far from home you're [Em] feeling...
 [C] Until you've watched the shadows cross the [Em] ceiling...
 Well [F] I don't know but I can see it [G] snowing...
 [F] In your car the windows are wide [G] open...

Come on [C] home... Come on [Am] home...

No, you don't [F] have to be [G] alone... Just come on [C] home [Em] [C] [Em]

[C] Valentines break hearts and minds at [Em] random...
 That ol' [C] Easter egg ain't got a leg to [Em] stand on...
 Well [F] I can see that you can't win for [G] trying...
 And [F] New Year's Eve is bound to leave you [G] crying...

Come on [C] home... Come on [Am] home...

No you don't [F] have to be [G] alone... Just come on [F] home [G] [F] [G]

The [C] moon and stars hang out in bars just [Em] talking...
 [C] I still love that picture of us [Em] walking...
 [F] Just like that ol' house we thought was [G] haunted...
 [F] Summer's end came faster than we [G] wanted...

Come on [C] home... Come on [Am] home... No, you don't [F] have to be [G] alone...
 Come on [C] home... Come on [Am] home... No, you don't [F] have to be [G] alone...
 Just come on [C] home.
