

# Swingin Party

written by Paul Westerberg 1985

[C] Bring your own lampshade, somewhere there's a party.

[Am] Here it's never ending, can't [F] remember when it started.

[C] Pass around the lampshade, there'll be plenty enough room in jail.

[Am] If being wrong's a crime, I'm [F] serving forever.

[C] If being strong's your kind, then [G] I need help here with this feather.

[Am] If being afraid is a [F] crime, we hang side by [C] side.

At the [F] swingin' [G] party down the [C] line.

[C] Pound the prairie pavement, losing proposition.

[Am] Quitting school and going to work and [F] never going fishing.

[C] Water all around. I never learned how to swim now.

[C] If being wrong's a crime, I'm serving forever.

[Am] If being strong's your kind, then [G] I need help here with this feather.

[Am] If being afraid is a [F] crime, we hang side by [C] side.

At the [F] swingin' [G] party down the [C] line. [Am]

[C] If being strong is what you want, then [G] I need help here with this [C] feather.
