

Tango Till They're Sore

Tom Waits

Intro: [Em] [Am] [B7] [Em]

Well ya play that tarantella, all the [Am] hounds will start to roll.
The [B7] boys all go to hell, And then the [Em] Cubans hit the floor.
And they drive along the pipeline. They [Am] tango 'till they're sore.
They [B7] take apart their nightmares, And they [Em] leave 'em by the door.

Let me [Am] fall out of the window with con[B7]fetti in my hair.
[Em] Deal out Jacks or better on a [Am] blanket by the stairs.
I'll [B7] tell you all my secrets, But I [Em] lie about my past.
So [Am] send me off to [B7] bed for ever [Em] more.

Make sure they play my theme song. I guess [Am] daisies will have to do.
Just [B7] get me to New Orleans, and paint [Em] shadows on the pews.
Turn the spit on that pig, and kick the [Am] drum and let me down.
Put my [B7] clarinet beneath my bed Till [Em] I get back in town.

Let me [Am] fall out of the window with con[B7]fetti in my hair.
[Em] Deal out Jacks or better on a [Am] blanket by the stairs.
I'll [B7] tell you all my secrets, But I [Em] lie about my past.
So [Am] send me off to [B7] bed for ever [Em] more.

Just make sure she's all in calico, in the [Am] color of a doll
Wave the [B7] flag on Cadillac day, And a [Em] skillet on the wall
Cut me a switch or hold your [Am] breath till the sun goes down
Write my [B7] name on the hood. Send me off [Em] to another town

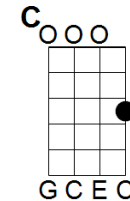

Let me [Am] fall out of the window with con[B7]fetti in my hair.
[Em] Deal out Jacks or better on a [Am] blanket by the stairs.
I'll [B7] tell you all my secrets, But I [Em] lie about my past.
So [Am] send me off to [B7] bed for ever [Em] more.

I Don't Wanna Grow Up

Well, [C] when I'm lying in my bed at night [G] I don't wanna grow [C] up
 Nothing ever seems to turn out right, [G] I don't wanna grow [C] up
 [Am] How do you move in a [Em] world of fog that's [F] always [G] changing things
 [Am] Makes me wish that [Em] I could be a [F] dog [G]

 I don't ever wanna be that way, [G] I don't wanna grow [C] up
 [Am] Seems like folks turn [Em] into things they [F] never [G] want to be
 The [Am] only thing to [Em] live for is [F] today [G]

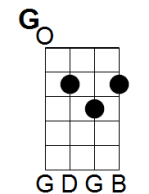

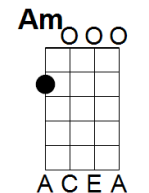

I'm gonna [C] put a hole in my TV set, [G] I don't wanna grow [C] up

 I'd [Am] rather stay here [Em] in my room [Am] Nothing out there but [Em] sad and gloom
 [Am] I don't wanna live in a [Em] big ol' tomb on [F] Grant [G] Street

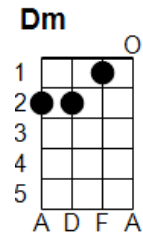

[C] When I see the 5 o'clock news [G] I don't wanna grow [C] up

LITTLE DROP OF POISON

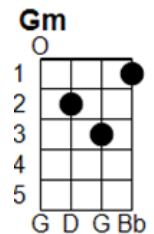

I like my **[Dm]** town with a little drop of **[Gm]** poison
[A7] Nobody knows they're lining up to go **[Dm]** insane
I'm all alone, I smoke my friends down to the **[Gm]** filter
But I **[A7]** feel much cleaner after it **[Dm]** rains

She left in the fall, that's her picture on the wall
She always had that little drop of **[Gm]** poison **[A7]** **[Dm]**

Did the devil make the world while God was **[Gm]** sleeping
[A7] You'll never get a wish from a **[Dm]** bone
Another wrong goodbye and a hundred **[Gm]** sailors
That **[A7]** deep blue sky is my **[Dm]** home

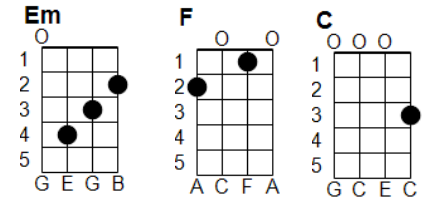

She left in the fall, that's her picture on the wall
She always had that little drop of **[Gm]** poison **[A7]** **[Dm]**

[Dm] A rat always knows when he's in with **[Gm]** weasels
Here you **[A7]** lose a little every day **[Dm]**
Well I remember when a million was a **[Gm]** million
They **[A7]** all have ways to make you **[Dm]** pay

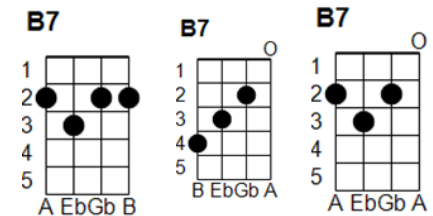

She left in the fall, that's her picture on the wall
She always had that little drop of **[Gm]** poison **[A7]** **[Dm]**

THE RAIN DOGS Tom Waits

[Em] Inside a broken clock Splashing the wine
With all the **[F]** Rain Dogs **[Em]** Taxi, we'd rather walk
Huddle a doorway with the **[F]** Rain Dogs
[B7] For I am a Rain Dog, **[Em]** too

[B7] Oh, how we danced and we **[Em]** swallowed the night
[B7] For it was all ripe for **[Em]** dreaming
[B7] Oh, how we danced away **[Em]** all of the lights
We've **[C]** always been **[Em]** out of our **[B7]** minds

[Em] The Rum pours strong and thin Beat out the dustman
With the **[F]** Rain Dogs **[Em]** Aboard a shipwreck train
Give my umbrella to the **[F]** Rain Dogs
[B7] For I am a Rain Dog, **[Em]** too

[B7] Oh, how we danced with the **[Em]** Rose of Tralee
[B7] Her long hair black as a **[Em]** raven
[B7] Oh, how we danced and you **[Em]** whispered to me
You'll **[C]** never be **[Em]** going back **[B7]** home **[Em]**

(Repeat last verse and fade)
