

# VIVA LAS VEGAS

ELVIS PRESLEY

[C] Bright light city gonna set my soul, gonna set my soul on fire.  
Got a whole lot of money that's ready to burn, so get those stakes up higher.

[Am] There's a thousand pretty women waiting out there,  
and they're all living, devil may care, and I'm just the devil with love to spare.

[F] Viva Las [C] Vegas, [F] Viva Las [C] Vegas

How I wish that there were more, than the twenty-four hours in the day.  
'Cause even if there were forty more, I wouldn't sleep a minute away.

Oh, there's [Am] black jack and poker and the roulette wheel.

A fortune won and lost on every deal. All you need's a strong heart and a nerve of steel.

[F] Viva Las [C] Vegas, [F] Viva Las [C] Vegas

[F] Viva Las Vegas with your neon flashing,

And your one-arm bandits crashing, [C] all those hopes down the drain.

[F] Viva Las Vegas turning day into nighttime. Turning night into daytime,

[D7] If you see it once, [G7] you'll never be the same again

I'm gonna [C] keep on the run. I'm gonna have me some fun,  
if it costs me my very last dime. If I wind up broke,  
well I'll always remember that I had a swinging time.

[Am] I'm gonna give it everything I've got.

Lady luck please let the dice stay hot. Let me shoot a seven with every shot.

[F] Viva Las [C] Vegas, [F] Viva Las [C] Vegas [F] Viva,

[G7] Viva, Las [C] Vegas
