

# Volcano

Jimmy Buffet

[D] I don't know, I don't [A7] know, [D] I don't know where I'm [G] a gonna go  
When the [D] vol-[A7] cano [D] blow

Ground she's movin' [G] under [D] me. Tidal waves out [G] on the [D] sea  
Sulphur smoke up [G] in the [D] sky. Pretty soon we [G] learn to [D] fly

[D] I don't know, I don't [A7] know, [D] I don't know where I'm [G] a gonna go  
When the [D] vol-[A7] cano [D] blow

My girl quickly [G] say to [D] me. Mon you better [G] watch your [D] feet  
Lava come down [G] soft and [D] hot. You better lava me now or [G] lava me [D] not

[D] I don't know, I don't [A7] know, [D] I don't know where I'm [G] a gonna go  
When the [D] vol-[A7] cano [D] blow

No time to count [G] what I'm [D] worth. 'Cause I just left the [G] planet [D] earth  
Where I go I [G] hope there's [D] rum. Not to worry [G] monsoon [D] come

[D] I don't know, I don't [A7] know, [D] I don't know where I'm [G] a gonna go  
When the [D] vol-[A7] cano [D] blow

But I don't want to land in [G] New York [D] City. Don't want to land in [A7] Mexi-[D] co.  
Don't want to land on no [G] Three Mile [D] Island. Don't want to see my [A7] skin [D] aglow.

Don't want to land in [G] Commanche [D] Sky park. Or in Nashville, [A7] Tenn[D] essee.  
Don't want to land in no [G] San Juan [D] airport. Or the Yukon [A7] Terri[D] tory.

Don't want to land [G] no San [D] Diego. Don't want to land in no [A7] Buzzards [D] Bay.  
Don't want to land on no [G] Eye-Ya[D] tullah. I got nothing [A7] more to [D] say.

[D] I don't know, I don't [A7] know, [D] I don't know where I'm [G] a gonna go  
When the [D] vol-[A7] cano [D] blow
