

When You Hold Me Tight

[C] Love, it isn't [E7] just a dream
now that you are every [Am] thing to [F] me

[C] oh love is the sweet[E7]est thing
I smile at every being [Am] with a skip in my [F] heart

[G] The moon, the sky, the stars can shine all night [F] long tonight
[G] But I only have eyes for you and I'm home [F] when you hold me [C] tight
[C] oh oh oh oh oh [Am] oh oh oh oh oh [F] oh oh oh oh oh
[G] oh oh oh oh oh [C] oh oh oh oh oh

[C] Love, dazzling at first [E7] sight
Challenging now every [Am] thing we thought we knew was [F] right
[C] Oh love, it is [E7] our destiny.
We're caught up in the [Am] daze of only you [F] and me

[G] The moon, the sky, the stars can shine all night [F] long tonight
[G] But I only have eyes for you and I'm home [F] when you hold me [C] tight
[C] oh oh oh oh oh [Am] oh oh oh oh oh [F] oh oh oh oh oh
[G] oh oh oh oh oh [C] oh oh oh oh oh

[G] Even through hard time and tempestuous [F] rainfall
[G] I'll be by your side with bated breath
and toget[F]her we'll sail through it [C] all

[C] oh oh oh oh oh [Am] oh oh oh oh oh [F] oh oh oh oh oh [G] oh oh oh oh oh
[C] oh oh oh oh oh
