

ALL I WANT IS YOU

BARRY LOUIS POLISAR

JUNO SOUNDTRACK

[C] If I was a flower growing **[F]** wild and **[C]** free. All I'd want is you to be my **[G7]** sweet honey **[C]** bee.
And if I was a tree growing **[F]** tall and **[C]** green. All I'd want is you to shade me and **[G7]** be my **[C]** leaves

All I want is you, will you **[F]** be my **[C]** bride. Take me by the hand and **[G7]** stand by my **[C]** side
All I want is you, will you **[F]** stay with **[C]** me? Hold me in your arms and **[G7]** sway me like the **[C]** sea.

If you were a river in the **[F]** mountains **[C]** tall. The rumble of your water would **[G7]** be my **[C]** call.
If you were the winter, I know **[F]** I'd be the **[C]** snow.

Just as long as you were with me, when the **[G7]** cold winds **[C]** blow.

All I want is you, will you **[F]** be my **[C]** bride. Take me by the hand and **[G7]** stand by my **[C]** side
All I want is you, will you **[F]** stay with **[C]** me? Hold me in your arms and **[G7]** sway me like the **[C]** sea.

If you were a wink, **[F]** I'd be a **[C]** nod. If you were a seed, well **[G7]** I'd be a **[C]** pod.
If you were the floor, I'd **[F]** wanna be the **[C]** rug. And if you were a kiss, I know **[G7]** I'd be a **[C]** hug

All I want is you, will you **[F]** be my **[C]** bride. Take me by the hand and **[G7]** stand by my **[C]** side
All I want is you, will you **[F]** stay with **[C]** me? Hold me in your arms and **[G7]** sway me like the **[C]** sea.

If you were the wood, **[F]** I'd be the **[C]** fire. If you were the love, I'd **[G7]** be the **[C]** desire.
If you were a castle, I'd **[F]** be your **[C]** moat, And if you were an ocean, I'd **[G7]** learn to **[C]** float.

All I want is you, will you **[F]** be my **[C]** bride. Take me by the hand and **[G7]** stand by my **[C]** side
All I want is you, will you **[F]** stay with **[C]** me? Hold me in your arms and **[G7]** sway me like the **[C]** sea.
